Dear Mr. DuPont:

After review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. \$4.00 registration refund enclosed.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be reinstated.

Sincerely yours,

Franklin W. Rapp, D.V.M.
Council President
